DISTRICT ACADEMIC CALENDAR 2023-2024

Ohio law requires a minimum of 1001 student instructional hours for students in grades 7-12 and 910 hours for students in full-day kindergarten through grade 6. The intent of the law is to require districts to approve academic calendars, which are at very least equal to the total number of hours of instruction as the previous year.

The recommended 2023-2024 calendar is based on:

- 176 student attendance days (Q1=41, Q2=44, Q3=44-2, Q4=47)
- * 1 day for new staff orientation
- * 2 teacher workdays (8/14, 5/24)
- * 4 non-student days used for professional development and/or records (8/15, 11/7, 1/3, 4/1)
- * 2 parent-teacher conferences make up days (11/22, 2/16)

** 184 total staff contractual days (185 for new staff).*

The number of hours of instruction (which does not include lunch) will be as follows:

5 hours, 45 minutes for London Elementary School;
6 hours, 30 minutes for London Middle School;
6 hours, 30 minutes for London High School.

Based on the recommended calendar, the 2021-2022 academic calendar represents:

1000 hours of instruction for London Elementary School;
1130 hours of instruction for London Middle School;
1130 hours of instruction for London High School.

The following methods will be used to address any full day cancellation of classes:

Days 1-5	Classes will be cancelled;
Days 6+	Any missed instruction will be made up via Blended Learning

Preparing every student for life's challenges and opportunities in an ever-changing world.
